# COACHING EXPERIENCE

KEEP AN OPEN MIND

THE ENTREPRENEUR'S eSOURCE®

FOR OVER 40 YEARS, THE ENTREPRENEUR'S SOURCE HAS HELPED HUNDREDS OF THOUSANDS OF INDIVIDUALS ACHIEVE THEIR CAREER GOALS!

## 1 OUTLINE YOUR GOALS

As your Career Ownership Coach, I will start by helping you define your goals, needs, and expectations. I will send you the tools and resources that help me better communicate with you and allow you to review your opportunities and strengths. They also will help you learn more about the coaching experience.

## 2 EDUCATION, AWARENESS, AND DISCOVERY

As we move forward working together, we will continue the coaching experience and use tools and resources to help you further your education. We will discuss your Income, Lifestyle, Wealth & Equity (ILWE) goals and review the different paths you can take to achieve them. Time commitment is typically a meeting every week.

## 3 VEHICLES FOR SUCCESS

As part of the education experience, we will review some of the different paths you can take to achieve Your Career 2.0 and how they would help you achieve the ILWE goals we reviewed earlier in our conversations.

## 4 EXPLORE POSSIBILITIES

My main objective as your Career Ownership Coach is to make you aware of the possibilities that are available to you; this way you can become informed and more knowledgeable about your professional future. I will be your biggest supporter every step of the way!

## 5 REACH A POINT OF CLARITY

As a coach, I will provide information on the various career options available to help you reach your dreams and will show you possibilities that could best help you achieve your goals from what we have learned through the coaching experience. We have tools and technology that will help you be more informed on these possibilities in a safe space.
